¹ Please note that NLRB Rules and Regulations Section 102.2(c) states that “[r]equests for extensions of time filed within three days of the due date must be grounded upon circumstances not reasonably foreseeable in advance.” The due date for exceptions is March 8, 2018 and the request for an extension of time was filed on March 7, 2018, which is only one business day prior to the document’s due date. Despite being filed within three days of the due date, there is no explanation in the request for extension of time as to why the need for the extension was “not reasonably foreseeable in advance” other than that counsel was recently retained. Nonetheless, given representations from Respondent’s counsel that neither the General Counsel nor the Union oppose the request, and given that the amount of additional time requested is not excessive, we will allow the extension.
